

Key Employee List

The EEAA NZ Chapter – the peak body for the exhibition and event industry – supports its members by raising the profile of exhibitions. We need your assistance in continuing to promote the exhibition and event industry and in supplying information to the wider community of our industry. Although the EEAA NZ Chapter is a Corporate Membership, many of our activities are offered on an individual level such as conference programmes, networking activities, newsletters and other member benefits.

Please provide us with as many employee contact details as you like.

The information supplied will be held electronically by the EEAA NZ Chapter Secretariat. The EEAA NZ Chapter collects personal data with the view to supplying information about products and services that are relevant to you and your staff. We may send you advertising or promotional material about products and services offered by the EEAA NZ Chapter, other members of the EEAA NZ Chapter, or third parties. We strongly recommend that you do not opt out of receiving this information as it will seriously restrict our ability to provide industry association services to you and your staff.
